Donations to the 501(c)4 General Fund are private. Donations to the CEPS Candidate PAC are publicly reportable. You opt into CEPS emails when you donate. There are no limits on personal or corporate contributions when donating.

General Fund donations support providing the community with information about public education in Santa Monica and Malibu from pre-k through community college. This can be done through website, ads, and other media to raise awareness of CEPS. In addition, should there be a local bond measure on a ballot to fund capital improvements at SMMUSD or SMC these 501(c)4 dollars can be used to campaign in favor of or against such a bond.

Donations to our 527 Candidate PAC pay for campaign mailers, social media ads, voter lists for canvassing and other political actions on behalf of those candidates for local elected office who our Steering Committee believes are best qualified to support public education.
